Kill No More

He's going  
to die?!

Lilo-DoGe...

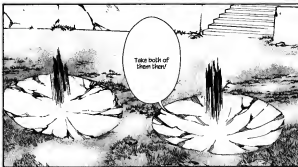

**PAPA WILL  
NOT DIE!**

Papa isn't  
dead yet! I can  
feel it!

...and she's unconscious, too.

The sixty-six bursts of Dragon Aura were reflected back to Lennick.

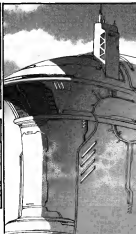

Take both of them down!

Little-DaGe won't die?!

WERE YOU  
TELLING THE  
TRUTH JUST  
NOW?!

Liaok's life isn't in danger, but she probably won't be able to use her Battle Aura for several months.

To be honest, that's a really light punishment after using sixty-six bursts of Dragon Run.

Do you have a better healing mansion?

Barbelle!

Liaok's already in the best healing mansion in the whole of Academe. I bought it in case fights between students result in gross injuries or death. You can't find a better mansion than this.

Well, there's not in Academe. But it's possible that Commerce Alliance has something better.

This idiot of a mansion said I should plan Liaok's funeral since there's nothing it can do!

Then do you have any good reasons?

By the time I get there, Lio's Seventh Day ceremony will be over!

LIO: THE SPOT OF THE ROAD BEHINDS ON THE SCIENCE CAMP AFTER SCHOOL

Honestly, it's a miracle that Lio didn't die on the spot from all those holes blasted through his body.

Only if the legendary high priest revives. But he's been in the heavens some two hundred years now.

Otherwise, there's no one better than this healing master.

I'm afraid we'll  
have two deaths  
instead of one.

...I'm afraid  
she will take  
her own life as  
atoneement.

Larsel has a very  
unyielding nature, and she  
strictly follows the Code of  
Honor. If she finds out that  
she killed Silver Moon  
when she snapped,

What in  
tarnation is this  
dragon doing?

LITTLE  
WHITE DRAGON!  
THAT'S A HEALING  
MAXIM. ARE YOU  
TRYING TO GET  
LOLA KILLED?!

Boy  
Nas Efu  
DroGan.  
Kangch  
LeFu!

*A few days ago:*

I thought I saw  
Reise. She gave me a  
kiss, and told me to make  
sure I married a good wife  
and have a dozen kids  
before I ever returned  
to her again.

Why did you  
dissipate your  
protective  
barrier?

Thank heavens.  
You're still alive.

You really  
resemble... an  
old friend. Someone  
I owe so much to.

One  
week  
later:

I'm sorry.

I will not seek  
death from  
now on.

YOU  
BASTARD.  
YOU THINK  
YOU'RE COOL,  
TAKING A HIT  
LIKE THAT?

YOU HAVE  
A DEATH WISH,  
AND TO THINK  
YOUR MOTHER HAD  
TO GO THROUGH  
LABOR TO GIVE  
BIRTH TO AN  
ASSHOLE LIKE  
YOU.

I DESPISE  
SUICIDAL  
PEOPLE!

Well, good.  
Glad to hear that  
you'll respect your life.  
But if I see you self-  
destruct again, I will kill  
you with my own hands,  
you butthead.

Even more ridiculous, Borballe  
had the nerve to say  
that anyone who  
doesn't survive will  
be locked out of the  
academy! In that a  
tragedy or what? To  
get excited after  
death, I never once  
heard of such  
crap.

Good grief. Is  
this the military?  
We're in the school  
of forestry - why the  
outdoor survival class?  
We only got a water  
bottle and a small  
knife, and they expect  
us to survive in the  
wilderness for a month.

That  
Gesser Borballe  
announced that  
we have outdoor  
survival class  
starting to-  
morrow!

So,  
uh, Liole,  
are you all  
healed up?

I killed Melias  
into our group, and  
he agreed.

In short, Old  
Foggy Borballe is  
just addicted to  
exquisitions.

Previously we've  
had military etiquette  
class. Everyone had to  
lie with a block on their  
head for a month, and  
you were expelled if you  
dropped it. For culinary  
class, they expelled  
anyone who couldn't  
cook up a good  
fillet.

Um, actually,  
that's pretty  
reasonable.

Now we have a  
group of four.

...I'm Melnar.

Greetings  
everyone.

Oh, we'll  
be relying  
on your help  
this time.

I hope today's  
outdoor survival  
class goes  
smoothly!

With Melnar-  
Dede, along with  
Lila-Dede, we  
should be just  
fine.

Please help  
me along!

Smile

I forgot to mention, the location of each team's survival class was matched to the strongest member.

Kaku-nishi!

BWA-HA-  
HA-HA!

I'll land first. After I've landed, you guys should cut away your parachutes and I'll catch each of you. I'm afraid we won't have enough time to get out of our parachute rigs once we've landed.

Kaku-n!

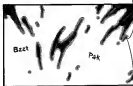

HEE-  
YAH!

*Uh-oh. This pit  
is deeper than  
I thought!*

**Crack!**

We can just follow the water. There's probably an exit since the water flows out. If things look okay at the exit, we can camp there.

Oh, come on. Surely you're not suggesting we hide in this black pit, are you?

What are we gonna do about food?

**Lumos!**

.....

Right. With Lolo injured, we really can't climb back up and fight for territory with the Lesser Dragons. Let's follow the stream then.
